

2022 KINPA CONFERENCE

KINPA Conference has been held annually since 2008 with IP experts from various fields to strengthen corporate IP capabilities, to share the latest IP issues and to create an active exchange network between participants.

The number of participants in charge of In-House IP Counsel is the highest in South Korea among IP related events.

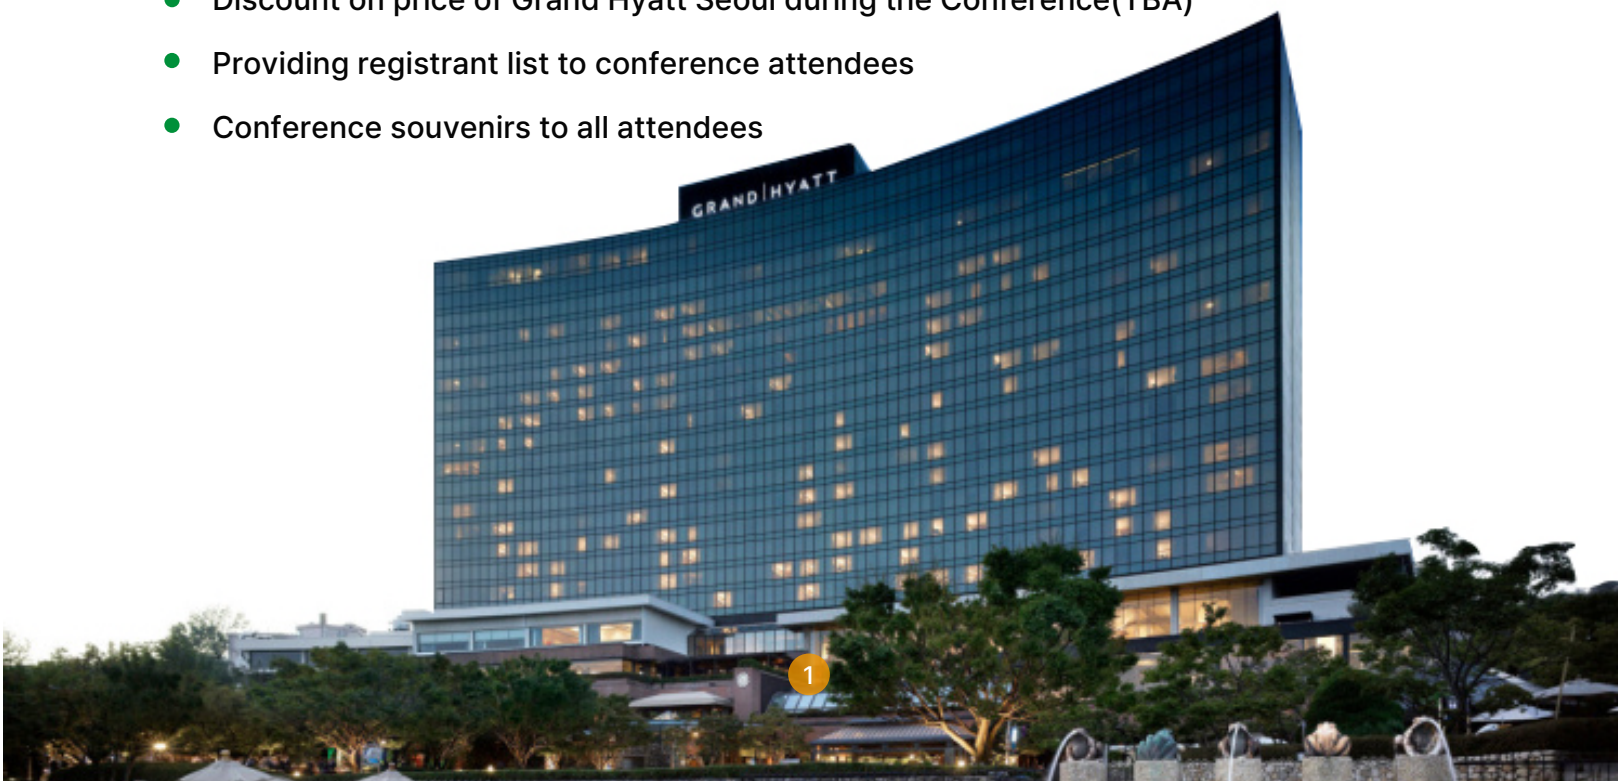

In 2022 KINPA Conference, which will be held at **Grand Hyatt Seoul from October 20 to 21**, Key players and decision makers in the IP field discuss the latest IP trends and share best practices and strategies.

Who Attends?

- In-house IP Counsel
- Government officials
- TLO members
- Korean and Global IP Professionals

Registration Includes;

- Free Luncheon(Western Courses) for two days
- Free admission to KINPA Welcome Reception (Limited)
- Free attendance to all official programs at 1st and 2nd day of Conference
- Discount on price of Grand Hyatt Seoul during the Conference(TBA)
- Providing registrant list to conference attendees
- Conference souvenirs to all attendees
